# TITANIUM
TECHNOLOGY

TT-ACC-CVZ-IR-02

- Surface IR detector.
- Compatible with DR-CVZ power supply via control port
- Voltage, power and amperage are determined by the power supply used.

Output input connector	dupont 3 pins

TT-ACC-CVZ-IR-15

- Double recessed motion detector.
- Compatible with DR-CVZ power supply via control port
- Voltage, power and amperage are determined by the power supply used.

Output input connector	dupont 3 pins
